

Addendum to the Safeguarding Policy: Compliance with Federal Law No. 3 of the UAE (Wadeema's Law)

This addendum aims to ensure that our safeguarding policy aligns with the requirements set forth in Federal Law No. 3 of 2016 (Wadeema's Law) concerning child rights in the United Arab Emirates. As such, the law requires staff to pass on information which gives rise to any concern about a child's welfare. The Designated Safeguarding Lead along with the Deputies work in the best interest of the students.
